

Parish News 25th September 2020

Pat Duffy has left hospital.

The October edition of Bible Alive has arrived (£3). It gives a commentary on all the Gospel readings for the month and is especially useful to have at this time.

The Mass stewards are doing a fantastic job: but so as to lighten the load on them it would be good to have more. Can you help? To volunteer please ring the Parish on 01299 822633.

At the last minute, the Archbishop has asked all Parishes to have a second collection this weekend for Fr. Hudson's Homes (26th-27th September).

Please remember and pray for all the sick in the Parish.

Thank you to everyone for your continued financial support which is very much appreciated and needed.

The latest thing that must be sorted is a leak in the ceiling of the narthex. We are awaiting an inspection from the builders. At the moment we have no idea where the leak is coming from and it could be an expensive repair. Still no inspection.

REDEVELOPMENT OF STOURPORT MEETING ROOM

Owing to the current financial situation we have decided to put the redevelopment work on hold. This is a great shame, but we have no choice under the present circumstances.

You are all in my prayers in these difficult times. Please also pray for me.

Fr. Richard.
