Day for Life is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. This year's **Day for Life** is celebrated **17th June**. The proceeds of the **Day for Life** collection, to be held in parishes in England and Wales, assists the work of the Anscombe Bioethics Centre and other life-related activities supported by the Church.
