**Flame** is back this year: it's a not to be missed gathering of 10,000 young people with a stadium atmosphere. A group from the Archdiocese of Birmingham will be travelling down to Wembley Arena (from a local coach pick-up) for a fully-charged day of input from world renowned speakers, worship led by MOBO award winning artist **Guvna B** and an engaging programme of prayer, song and inspiration.

**Join the Diocesan group:** we've got great seats all together and your coach travel insurance and group t-shirts are all included too.
