

WORCESTER-PALESTINE FRIENDSHIP

presents the 2016 documentary film

THE OCCUPATION

OF THE

AMERICAN MIND

ISRAEL'S PUBLIC RELATIONS WAR IN THE UNITED STATES

Narrated by **Roger Waters** and featuring leading observers of the Israeli-Palestinian conflict and US media culture, the film explores how the Israeli government, the US government, and the pro-Israel lobby have joined forces, often with very different motives, to shape American media coverage of the conflict in Israel's favour.

"This is a film that demands to be seen. It shows, with devastating precision, how effective propaganda can hide crimes that are epic in scale and have catastrophic consequences. Please see this film, hire it, screen it, talk about it." Ken Loach, Director and Filmmaker
